

TWITTER Release Form

I have created a class page on Twitter. The purpose of this page is to stay connected with families and explore learning on a new level through technology. This provides a fun new way to share new things going on in our classroom, as well update you on important information. Please fill out the bottom portion of this form granting me permission to post photos of your student along with their work. Please go to Twitter and follow our page titled "@mindywatson74". Thank you so much for your continued support. I look forward to connecting with you on the web.
